

This year, to celebrate family, fortune, and health...

I thought it would be best to help educate a child,
provide economic opportunities to women,
and teach water purification to a family in Haiti.

So, in your name, I gave generously to MPM Haiti. Together, we celebrate family, fortune, and health and pass these gifts forward.

With love,

Since 2005, MPM Haiti has worked with families in Southern Haiti to provide opportunity and empowerment and has been supported by generous individuals like you.

Make a tax-deductible donation today and empower in Haiti - consider it an investment in the future.
